

Memorandum of Understanding
between
Swiss Association of Consulting Engineers (SUISSE.ING)
and
Interstate Consultants Engineers Guild (ICEG)

The purpose of the Memorandum is to specify the foundation for cooperation and coordination between SUISSE.ING and ICEG aiming at zooming in their efforts and opportunities for the effective joint performance of the Swiss and Ukrainian companies in the recovery of Ukraine.

1. SUISSE.ING and ICEG recognize the importance of economic cooperation for the development of Ukraine and Switzerland.
2. SUISSE.ING and ICEG confirm their interest in strengthening and deepening of the cooperation between the Parties in order to implement projects in construction and the related areas during the recovery of Ukraine.
3. The Parties undertake to encourage and develop mutual contacts of their members in Switzerland and Ukraine by means of regular information sharing, providing networking activities to promote partnership with the member companies.
4. SUISSE.ING and ICEG confirm their commitment to join their efforts in searching for ways to improve cutting-edge engineering methodological practices.
5. As EFCA Members, SUISSE.ING and ICEG will develop and support joint initiatives held under EFCA framework.

6. SUISSE.ING and ICEG will continue mutual consultations in order to strengthen the relations between the two associations and their member companies, with saving of privacy policy.

The Memorandum of Understanding is concluded in English in two original copies.

The Memorandum of Understanding is signed using online means on June 20, 2023 and becomes effective from this date onward.
