FIDIC 2026+ Strategy

Engineering a bright future, together

International Federation of Consulting Engineers
The Global Voice of Consulting Engineers

Our Why

Vision

A thriving, trusted consulting engineering industry, enhancing productivity and quality of life for all.

Mission

Elevate the consulting engineering industry and FIDIC Members through an engaged global network driving thought leadership, best practice, standard contracts, and capacity building.

Core Values that guide our thinking

QUALITY

Emphasising the importance of skill, experience, innovation, integrity, sustainability, and best business practices in all services provided.

INTEGRITY

Promoting ethical inclusive behavior and transparency, and advocating for integrity management to combat corruption within the industry.

SUSTAINABILITY

Focusing on sustainable infrastructure and development, ensuring that projects contribute positively to society and the environment.

Mutually reinforcing strategic goals
